Summary

As a dedicated software engineering student at SLIIT City University, I am seeking an internship to apply and grow my programming skills. I am passionate about solving real-world problems through innovative projects. My aim is to gain hands-on experience, collaborate with professionals, and enhance my skills in software development, coding, and problem-solving. I am ready to bring enthusiasm, dedication, and a strong work ethic to the team.

Skills

Languages:	Java, C#/C++, JavaScript, Sql
Frameworks:	React JS, Node JS, Express JS, Spring boot (MVC), Asp.net (MVC)
Tools:	Postman, Git, Github, Figma
